

Cillar

Young Tempranillo

Data sheet

Born in the 80s, it is a wine which is not aged in wood. It is the expression of a pure Tempranillo. It has a cherry red colour with violet rims. Elegant aromas of red and black fruits, minerals and flowers stand out with sensations of youth.

On the palate it is fruity, tasty and with silky and pleasant tannins. It is intense, fine and long, due to its refreshing acidity.

Age of the vines: Vines between 15 and 25 years old.

Yield: 4.000 Kg/ha.

Average altitude: 840 meters.

Pairing: Perfect for tapas (potato omelette, croquettes...), with sausages, grilled fish, black rice, chicken in a variety of styles or light dishes.
